Inspired by Nature

VENTURELITE® NATURAL BEAUTY decors combine the beauty of nature with the outstanding features of aluminium honeycomb panels. Nature inspires us in so many different ways, and is used as role model in many applications. It is classy and lively, so be inspired...

VENTURELITE® 2050 is available in 11 great NATURAL BEAUTY decors. Of course there are many additional non-stock decors available on request.

The NATURAL BEAUTY colours commemorate the subtle nuances and patterns found readily in nature.

VENTURELITE® 2050 – for highest quality and appearance.

We advise that the final selection is made from an actual sample. Surface texture for stone decors is "CR" and "FP" for wood decors.
